

INSTITUTE FOR COMMUNITY HEALTH PROGRAM PLANNING

**Are you ready to create quality, health-focused programs in your community?
This Institute will help you turn theory into practice.**

You will learn to build evidence-based public health programs, one step at a time.

Discover new tools to help you:

- Access data
- Find partners
- Select and customize programs
- Write competitive proposals

There will also be networking and funding opportunities available only to Institute graduates.

**Monday November 8th and Friday November 12th, 2010
44 Front Street, Floor 7, Computer Lab, Worcester**

WHO SHOULD REGISTER?

- Professionals who plan and implement community-based health programs, such as health program planners, coordinators, managers, directors, counselors, and nurses. Development directors and grant writers are also encouraged to attend.

REGISTER NOW!

- **Registration forms must be received by October 22nd.**
- **Registration is FREE but space is limited.**
- For more information contact Cassandra Andersen at (508) 686-6674 or Cassandra_andersen@dfci.harvard.edu

This Institute is sponsored by:

PLANET MassCONNECT is a five-year study funded by the National Cancer Institute that aims to understand how to best disseminate resources to MassCONNECT (Massachusetts Community Networks to Eliminate Cancer Disparities through Education, Research and Training) community groups in Boston, Lawrence, and Worcester, Massachusetts.
